Communion

Every week at Southwest Christian Church, the death of Christ is remembered in our worship service, during communion (I Corinthians 11:25-26). After a short devotional and prayer, the bread and the cup will be distributed by our ushers. We invite all born-again believers, who are at peace with God, repentant of their sin, and understand the Lordship of Christ to join in communion. There will be a few minutes for you to pray silently and take communion. If you are not a Christian, or are not prepared to share in this event, we encourage you to spend this time in prayer. We hope that this time is helpful to you as you consider your relationship with Jesus Christ, His People, and the Church.

Family Discipleship Books

If you haven't received your Family Discipleship Book yet, they are for everyone who attends SCC. They are available at the ministry table in the back. All are welcome to take one per family.

This Sunday we are on Week 44 in your family discipleship book.

An Article from Pastor Luke

The Fishermen's Fellowship

The fishermen were surrounded by streams and lakes full of hungry fish. They met regularly to discuss the call to fish, the abundance of fish, and the thrill of catching fish. Someone suggested that they needed a philosophy of fishing, so they carefully defined fishing and developed strategies and tactics. Then they realized that they had been going at it backwards. They had approached fishing from the point of view of the fisherman, and not from the point of view of the fish. How do fish view the world? How does the fisherman appear to the fish? So they began research studies and conferences on fishing. But no one went fishing.

Jake was a newcomer to the Fishermen's Fellowship. After one stirring meeting of the Fellowship, he went fishing and caught a large fish. At the next meeting, he told his story and was honored for his catch. He was told that he had a special "gift of fishing". He was then scheduled to speak at all the Fellowship chapters and tell how he did it.

With all the speaking invitations and his election to the board of directors of the Fishermen's Fellowship, Jake no longer had time to go fishing. But soon he began to feel restless and empty. He longed to feel the tug on the line once again. So he cancelled the speaking, he resigned from the board and he said to a friend, "Let's go fishing". They did, just the two of them, and they caught fish.

The members of the Fishermen's Fellowship were many, the fish were plentiful, but the fishers were few!
